

Mini-Relay

Relay Recess Special Events - May 1st - May 20th BTC Relay-May 21st-1:00 pm

--**whole month**, students bring in **dimes** to help cure cancer. The Relay For Life is once again collecting dimes for this year's event. Every student that brings in any amount will help to make their "classrooms shine" by hanging a purple or pink star on the classroom door with their name on the star. The class with the most stars/dimes will lead the mini-relay.

--**whole month**, students will be coloring pictures in their class for decorations during the mini-relay and for us to use at the Relay For Life event.

--**whole month-Links for Life**-students will be **earning** a "link" by doing a good deed for someone. This encourages our service requirement for our students. If the good deed is done outside of school hours, we are asking the parents to sign the form and have the student(if possible) explain how they have helped someone in need. The students will write their name on each "link" they earn. These links will then be attached to all the other school's links and will be carried by our children and the children from other schools during the kids lap (3:00pm-May 30) at the Relay For Life. Our goal once again is to have the end links meet. ----Our links will be our school colors and during our mini-relay, each grade will have the student who has earned the most links connect their links together.

--**May 11-15**-students will be decorating luminary bags with their school name and drawing a picture (pre-k-Kind - 1st) and writing(2nd-8th) "In Honor of _____" and "In Memory of _____". Please talk to your child about this so they know who they wish to write on their bag. These bags are going to be the central focal point of our evening ceremony at the Relay For life event on May 30, 2015 at 9:00pm. They will be hung around the track on the day of the Relay for Life Event.

--**May 21 - Purple & Pink Day**-the cost is \$1.00 and the students are asked to wear **purple and pink-the relay colors**. If any student has a Relay T-shirt, they are encouraged to wear it to school that day. Please wear as much purple as you can, really decorate for the Mini-Relay that is being held that day. We will have a King and Queen of Relay Recess- the students that show the most Relay Spirit. The Mercury is being asked by Relay Coordinators to attend these mini-relays to promote the Relay Recess event sponsored by *Relay For Life*. Please sign attached form for your child to be able to participate with the school activities.
