Relay Recess: Survivor Invitation

If you or a family member knows a cancer survivor, please invite them to our Relay by giving them the invitation at the bottom of the page. Survivors are a key component of our relay. They are the reason and our inspiration in our fight against cancer.

Relay Recess: Intentions

The Relay Recess committee would like the children in each grade to have a list of intentions to be displayed at the relay. Please send in a note with your child listing the names for “In Honor of...” and “In Memory of ...”. The BTC Students will be writing these names on posters to be displayed at the event. We will be releasing balloons to take our intentions to heaven.

Again, thank you for all you do for the children of BTC Education Center.

Students: Don't forget to turn in your dimes to “make your classroom shine” and keep working on your good deeds. We are proud of you for taking up the fight against cancer!!!!

Join Us to Celebrate, You-a Cancer Survivor!!!
